

**David Allen & Steve Hoffmann  
August 2009 Workshops**

**Belief Transformation &  
Soul Recovery  
Levels 1 & 2**

**The Healing Room in Los Altos Hills, CA**

**Level 1 9AM – Noon      Offered on Aug 16<sup>th</sup> and Aug 30<sup>th</sup>      \$50**

Do you believe you don't deserve something? Most of us deny ourselves the things we want because we believe we are not worthy of our desires. In our belief transformation workshop, we'll discuss how your beliefs are stored, how to bypass your conscious blockages to access your real beliefs, and how to transform those beliefs from negative to positive.

You will learn how to use muscle testing protocols to test beliefs, foods, and supplements. We will teach you easy-to-use techniques to alter your deeply held beliefs so you can become the person you've always wanted to be!

**Level 2 1:30 PM – 5:30 PM      Offered on Aug 16<sup>th</sup> and Aug 30<sup>th</sup>      \$75**

In this workshop, we will show you how to work with crystals, angels, ascended masters, guides, prayers, and sacred symbols to assist you in recovering from the deepest traumas and past-life issues that have caused recurring patterns of negativity throughout your life. We will teach you techniques for soul recovery, past life belief transformation, turbocharged affirmation installation, manifestation, and other methodologies that help cover the 'last mile' healing to bring you to an unparalleled sense of wholeness.

You will receive a workshop binder packed with information about advanced muscle testing protocols, chakra and morphogenic field information, and detailed instructions for soul recovery and integration.

Wear clothing comfortable for stretching, as you would when attending a yoga class. Bring a yoga mat if you have one.

*David and Steve have many years of experience working with healers, professionals, and athletes repairing muscles and other tissues, healing chronic medical conditions, and facilitating metaphysical restoration. Their backgrounds in kinesiology, Traditional Chinese Medicine, massage, biomechanics, psychology, nutrition, and soul transformation provide a solid foundation for rapid physical and metaphysical development.
